Story on page 14

### Tavern burns, arson suspected

A tavern just north of Antioch, on Hy. 83, was totally destroyed by fire early Monday morning and arson is suspected.

The One Mile Inn, in Salem township, was set on fire at 3 a.m. It is reported that Kenosha police suspect a firebomb was thrown from a passing car.

One fireman at the scene said, "There was a definite odor of gasoline at the entry way."

THE OWNER, DANIEL TARSA, and his wife and son lived over the tavern. They escaped from the building

because a friend of theirs, a Salem woman driving home from work, spotted the fire and sounded her horn repeatedly.

About 30 Trevor firemen arrived at 3:05 a.m. and were joined by firefighters from Antioch, Salem and Wilmot. About six Antioch firemen were on the scene, battling the blaze until 7 a.m.

Fire chiefs called the building a total loss. The only injury was a wrenched back suffered by a Trevor fireman.

## Gene, Eileen Zannini are Antioch's VIP's

Gene and Eileen Zannini have been chosen as Antioch's VIP couple for 1978. They will be honored at a dinner Saturday, Apr. 15.

The election committee met last week to select the VIP's to be honored at the 10th annual St. Peter's Dinner-Dance.

We are extremely elated to announce that Eugene (Gene) and Eileen Zannini have been chosen as the 1978 VIP couple," said Pat Roman, a member of the committee.

"Mr. and Mrs. Zannini are a delightful couple who have been consistently active in the Antioch community since their arrival in 1963," she added.

Prior to moving to Antioch, Gene and Eileen Zannini lived in Waukegan. They are originally from Chicago and the family moved to Waukegan around 1937 where they owned and operated the Chateau Du Jour restaurant until 1951.

## Doug Plank of Bears to talk next Monday

By JOE HUNLEY

The Lions Club of Antioch will have an exciting and active year according to information released this week by Lion President Don Morris.

Next Monday, Feb. 27, Doug Plank, free safety for the Chicago Bears, will be a guest speaker when the club meets at Andre's Steak House in Richmond. Since the Bears had such a successful season, and have a new coach for next season, Doug's remarks should be most interesting.

THE WILD GAME dinner is scheduled Apr. 24.

On May 22 the club's athletic banquet will be held at Antioch High School.

Fox Lake County Club will be the scene of a spring golf outing May 24.

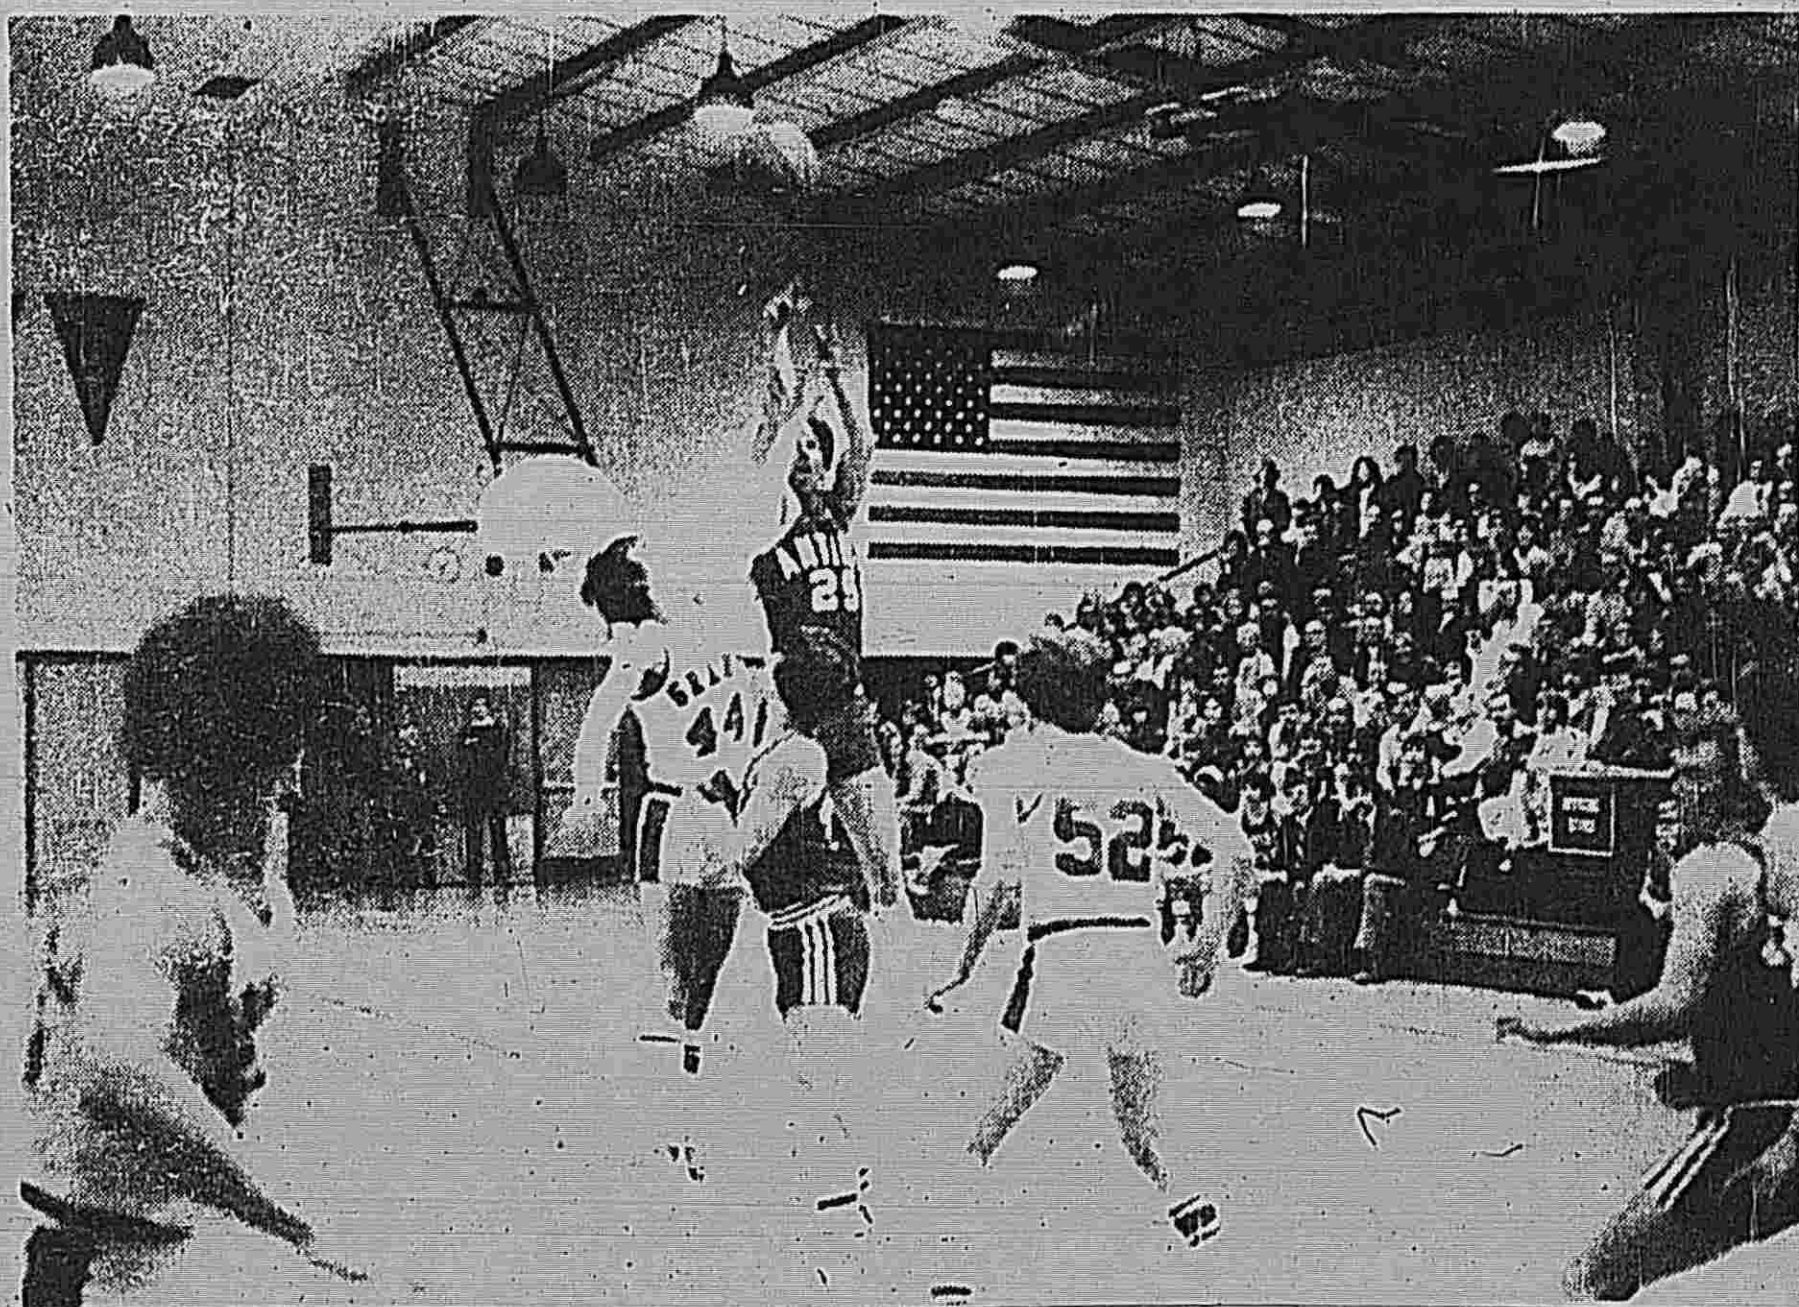

The biggest Lions event of the year - the Chicken Bar-B-Que and Auction - will take over Williams Park on Aug. 6. A summer golf and tennis outing is also scheduled for August.

The Safari Trap Shoot will be held at the Northern Illinois Conservation Club Sept. 10, Morris said.

Fund raising "Candy Days" on Oct. 13 and 14 will benefit the deaf and hard of hearing as well as the blind. "Save Our Sight" day will be Oct. 22 at Antioch High School.

"Ladies Night, in November, and the annual Christmas Party on Dec. 11 should wind up the year in a festive mood," the Lions' president said.

Morris has named his committee chairmen and members for these activities of the Lions Club and urges 100 percent support for what he called "the greatest community service organization in the world."

EQUALLING THE SCHOOL RECORD for most points scored in one game was Antioch's Bill Dubek (25), shown here

## Political signs must fit ordinance

Richard Stroner, village building commissioner, will begin enforcing the "sign ordinance" in regard to political signs in the village.

The ordinance reads that no signs may be erected earlier than 45 days prior to an election, and shall be removed within 15 days following the election.

Also, only one stationary sign is permitted on any one parcel of land. The sign cannot exceed 32 square feet in aggregate area and, if detached, can't exceed six feet in height. No roof signs are allowed.

The most violated rule is when signs are located over a public right-of-way, referring to all utility poles.

Such signs will be removed by the public works department.

For further information regarding signs, persons can call Mr. Stroner at 395-1881 between the hours of 7:30 a.m. and 4 p.m.

Psychologists have pointed out that children and grandparents often understand each other better than they do the parents in between. This, they say, is good since young people need to know about the past and how it affected their own families; and older people need to know that their lives mean something to future generations.

## All about town ...

By LINDA WALKER

If you're familiar with the intersection at highway 83 and county trunk "C" in Salem, you're also aware just how dangerous the crossing is.

Blackie's Deep Rock (located at that intersection) is asking all concerned drivers to sign a petition they have at their gas station petitioning the state of Wisconsin to install either traffic lights or a 4-way stop.

Without a doubt the present traffic control device is totally inadequate, as most traffic accidents indicate. So if you would like to see a safer intersection, sign the petition now before it is mailed to the Wisconsin department of transportation. The more signatures the better.

PAT SERSHON dropped us a note to let us know that Main Secretarial now has a part-time assistant. Liz Patrick will help with the workload, allowing Pat time to pick up and deliver work around town.

Congratulations on passing the one-year mark. We certainly hope having Liz in the office will lead to bigger and better things in the future.

BARB CORBIN of Corbin Travel Agency tries to find time every year to visit a different country. This year she toured southeast Africa.

Barb said the trip was very educational but the food left something to be desired. A steak (not beef but water buffalo) could only taste fair after smothering it with ketchup. Things we take for granted, such as a cool glass of water, are luxuries or nonexistent in the primitive continent.

The trip was very enjoyable but Barb seems quite happy to be back in Antioch where life is much easier.

owned the Webb's Boat Service and Marina for many years. They are the parents of seven children (six daughters and one son) and have 17 grandchildren.

Mr. Zannini's Antioch involvements are numerous: Lake County Assessor's office, St. Peter's athletic program, the Lions Club, charter member of the Rotary Club, Antioch Republican Club, Bicentennial Commission, the advisory board of Catholic Charities and many other community and church-related activities.

MRS. ZANNINI IS PRESENTLY on St. Peter's school board, works with St. Peter's athletic program, belongs to the Antioch Woman's Club, the State Bank of Antioch golf league and is involved in many other activities.

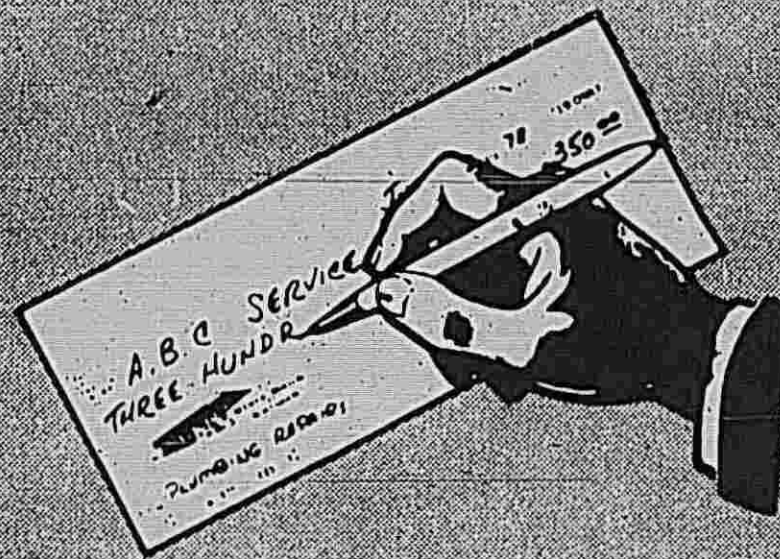

Monika Coyle, another committee member, said: "We believe that the election committee has made a fantastic selection and look forward to all the details to come pertaining to the evening of Apr. 15, when this couple will be honored at St. Peter's social center. Our whole-hearted congratulations to this super couple and we all look forward to joining them on that special evening."

Honored in previous years were Jim McMillen, W.C. Petty, William E. Brook, Rudy Eckert, Albert L. Dittman, Fern Watson, Elmer and Gert Zimmerman, Herman Holbek and, last year, Hank and Ricky Apostol.

## THE TOWN CRIER

People who complain about taxes will have much more reason to do so in the year 2,000.

The Library of Congress projects a rise in federal income taxes for a median-income family from \$1,831 currently to \$11,351 by the end of the century.

Still, to take some of the sting away, it says the median family's annual income will have risen by that time from the present \$16,400 to more than \$77,000.

JUST WHEN I THINK I know where it's at... they move it.

Also, when you get it all together... don't forget where you put it.

REVIEWING "DEATH OF a Salesman" for the Waukegan News-Sun, John Rice had some nice things to say about the play which will be repeated this Friday and Saturday, 8:30 p.m., at Antioch's PM&L Theatre.

For example:

"PM&L has opened with what could be the finest dramatic production of the season. In fact, "Death of a Salesman" could still in the next four performances reach the expectations it inspired on opening night. All the elements of an outstanding dramatic production are present: intelligent direction, sensitive acting and fine technical support.

"The role of Willy Loman is one of the finest written parts in American drama. For an actor it is a showcase for his abilities to plumb the depths of his soul. George Blanksten had moments in the play that were truly evocative of the Loman spirit.

"Bill Sershen as Happy and Philip Hunter as Biff had some fine moments together and with their parents.

"Supporting the four major roles were Gary Richter in a well-played portrayal of Uncle Ben, the spectre of Willy's past.

"Bringing the cast together, was the intelligent direction of Ken Smouse. He was able to convey to the actors the meaning of the characters and how they should interplay between each other. His direction of the technical part of the production showed the right touch of light and sound."

By JERRY PFARR

On Monday this fellow rides up to our office, ties his horse to a parking meter and storms through the door.

By the Continental army uniform he is wearing, at first I think it's Bill Seemann.

"Wednesday is my birthday!" the man says, almost angrily.

"Okay, Lasco's is right across the street, I'll send flowers."

"Don't get smart," he snapped. "I'll stand up in your rowboat."

"WHO ARE YOU, really?" I asked, sounding a little like Bill Cosby.

"I'm George Washington."

"I thought you were dead."

"Reports of my death have been grossly exaggerated."

"I don't think that's your line," I told him. "I think that one belongs to Mark Twain, or maybe Will Rogers."

I looked out the window and a policeman was looking for the vehicle sticker on his horse.

"BY THE WAY," I asked, "how do you expect me to

## No vehicle sticker? Better hurry

Antioch village residents were given until Feb. 15 to purchase their 1978 vehicle stickers and quite a few of them are sorry now they didn't meet the deadline.

The police department has been issuing tickets to motorists who live in the village but are driving cars without the stickers. The penalty is about \$43, including court costs.

The stickers were being

## Thought for Today

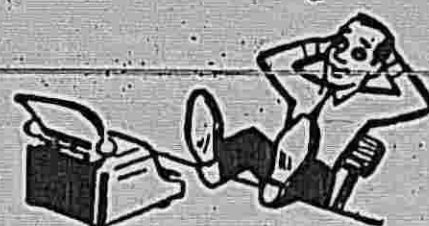

A girl adopted a stray dog. She loved him, and they were inseparable. But one day a car killed the dog, and it broke her heart.

To cheer her, the grandmother bought her a thoroughbred. But the girl did not love him.

"I can't understand you," said the grandmother. "You took a stray dog and you loved him. I bought you an expensive dog and you don't care for him. Why?"

"But, grandmother," cried the girl, "it's the inside that counts."

In dogs and in people, it is the inside that counts.

believe you're George Washington?"

"Here are some pictures of me to prove it," he said, scattering them on my desk.

"Too bad they aren't on green paper," I said. "Well, I knew at first glance you weren't Farah Fawcett Majors. Anyway, what are you so angry about?"

"Look, young man..." he began.

"Thanks," I interjected.

"... since Wednesday is my birthday, why do I find the government offices, postal service and banks closed on Monday?"

The phone rang and I picked it up.

"Is that call more important than our conversation?" George said in a rage, flinging his hat on the floor.

"It's the funeral home. They call every day to ask how I'm feeling."

AFTER THE PHONE CALL, he started in again.

"If they want to honor my birthday, they should do it on Feb. 22, not on Feb. 20!" he shouted.

"Look, by celebrating on Monday a lot of people get three-day weekends," I explained.

"We didn't have three-day weekends at Valley Forge," he snapped.

"Welcome to the club, George. We don't get them in the newspaper business either."

He began stomping out of the office.

"Where are you going?" I asked.

"Down to Sequoia Creek, to throw a dollar across it."

"I think you will find, George, a dollar doesn't go that far anymore."

# 3 firemen receive promotions

Three Antioch firemen received promotions at Monday night's village board meeting.

Ray Gallaher and Dale Frasch were elevated to the rank of captain, while Bill Eckert was promoted to lieutenant.

In another matter, the village trustees decided to pay \$18,468 to the Dictaphone Co. for equipment which will enable the "911 emergency phone service" to progress.

The emergency telephone number, 911, will be in operation in Antioch, Lake Villa and Lindenhurst by about Oct. 1.

WHEN THE PROGRAM is ready, persons who have 395 or 356 telephone exchanges can dial 911 for emergency service from the police department, fire department or rescue squad.

Garnet Cook chief dispatcher at the Antioch police department, said "911 is simply a new telephone number to report any emergency or call for instant help. From pay telephones there will be no charge for the 911 calls."

The program is expected to cost the three communities about \$20,000 for telephone installation and equipment.

WALTER SHEPARD, SUPERINTENDENT of Public Works, reported that the old Willowdale dairy building in Williams Park is "all knocked down and half of the cement is out." Getting rid of the eyesore is a village beautification project.

Mayor Michael J. Haley took time out during the meeting to thank the village public works department for "the very fine job done throughout the recent snowstorms. Larger cities certainly didn't hold a candle to the job Walt Shepard and his men did in keeping Antioch's streets clear and passable."

Shepard said he appreciated the comments and would relate them to his crew.

Trustee Vern (Barney) Barnstable also said he heard many compliments from residents regarding the excellent snow removal job.

On the other hand, trustee Edgar Simonsen said several

citizens have complained of businesses plowing out their parking lots and piling the snow on people's sidewalks.

THE ORGANIZATION OF a village and township park district will be discussed next Monday at 8 p.m. when trustees Don Amundsen and J. Irving Walsh conduct a civic activities committee meeting.

A public hearing on the petition to organize the park district will be held at 9 a.m. on Monday, Mar. 20, in the county courthouse, Waukegan.

Who's got Mike Whited's hat? Someone made an exchange of lids with Mike up at Pasadena Gardens Saturday night while Mike was helping the Legionnaires with their dinner-dance. The Legion men are trying to help him locate it. You haven't seen it, have you? Report recovery of the chapeau to the Legion.

Challenging the legality of Antioch's "foreign" food truck licensing ordinance, counsel for the Coca-cola Bottling Works, at the hearing before Police Magistrate Elmer E. Brook Friday, declared the ordinance "too broad," and that the village had no authority to inspect the product of his company. The beverage is delivered in sealed containers, and any attempt at inspection would ruin the contents the attorney said.

Radio listeners who tune in station WLW at Cincinnati tonight, and every night except Monday, at 9:45 will hear the voice of James McCulla, staff announcer for that station. And who is James McCulla? Well, Jimmy is just another "home town boy who makes good." Eight years ago Jimmy lived in Antioch with his mother and attended the local high school. Then the family moved to Marengo where his mother was manager for a chain store, and Jimmy entered an Iowa college and was on his way to a medical career until the depression came along. That was about the time Jimmy was asked to be master of ceremonies at an important function that was broadcast - the first time Jimmy had ever faced a "mike." Officials of a large broadcasting company were listening in, and that's how they picked Jim McCulla "right out of the air."

Petunia lay dead on Grass Lake Road, near Drexel Blvd Wednesday morning. She was a pretty skunk - sleek fur - but that's all the good we could say about her. What she did to the atmosphere of the neighborhood was quite another thing.

We discovered that the County Highway Department in Libertyville were the ones to contact regarding dead animal removal on Grass Lake Road.

Had Petunia been killed on Ackerman Road or any township road, Antioch Township Highway Department would have taken care of her remains.

One question - What if her demise had occurred at the junction of Ackerman and Grass Lake Road - with half of her on each highway? Would two trucks arrive - and would vivisection take place?

## Basketball contest won by Benji Vasek

Benji Vasek, a 15-year-old Antioch High School junior, won the Antioch News' basketball contest last week by accurately forecasting the Sequoits' 12-point victory over Grayslake in the "Parents Night" game here.

Two other contestants also picked Antioch to win by 12 points, but Benji came closest in the tie-breaker, guessing that Antioch would beat Grant by six points in Saturday's game at Fox Lake. The Sequoits beat Grant by three.

Benji will receive a \$15 gift certificate from Antioch Tire Inc., "Firestone."

**THE SECOND PRIZE**, a \$10 gift certificate at Andre's Steak House in Richmond, will be sent to Diane Mullin, who picked Antioch over Grayslake by 12 points and Antioch over Grant by seven.

Shirley Gutowski wins third prize, a \$5 gift certificate from the Ben Franklin Family Center, by guessing correctly that Antioch would beat Grayslake by 12. Shirley also picked Antioch over Grant by 12.

**BOTH DIANE AND SHIRLEY** have been regular winners in our football and basketball contests.

Four persons came within one point last week. Tony Besson, Charlotte Lucy Braddock and Donna Gutowski picked Antioch over Grayslake by 13 points and Marilyn Sterbenz predicted an 11-point win for the Sequoits.

**A SURPRISE 92nd BIRTHDAY** party was given for Bill Hartley by his "Meals-With-Wheels" friends from the Chain-of-Lakes Senior Services. Bill has been helping deliver meals to young folks in their 60s, 70s and 80s. Standing behind him are (from

left) Peg Johnson, Estela Perales, Marguerite Koenig, Nadine Malik and Martha Schmidt. On Bill's lap is Louise Hagen. The party was held at the Antioch Methodist church.

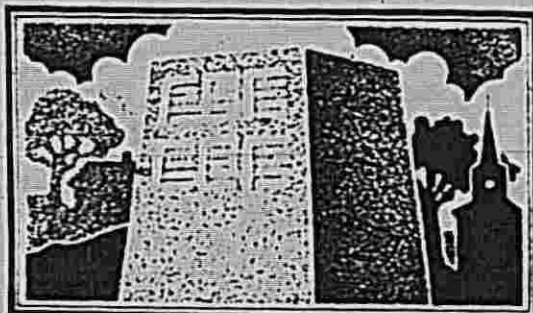

## John Chapman's new heating system pulls energy out of thin air.

John Chapman of Woodridge is one of the homeowners in northern Illinois who recently installed a heat pump. How'd he like it? "It's just been great—one unit that both heats and cools. It really does the job," says John.

### How the heat pump works.

Most heating systems heat by burning fossil fuels like natural gas or oil. The heat pump is different. It doesn't burn anything. It uses electricity to move heat from one place to the other—heat that already exists. Where? In the air around us. Even on cold, cloudy days there's an abundance of heat in the air—solar heat energy that the heat pump captures and moves indoors.

In warm weather, the process automatically reverses for cooling. The heat pump captures excess indoor heat and humidity and removes them to the outside.

### The Remarkable Electric Heat Pump.

#### Better efficiency.

Today the heat pump is the best alternative to heating systems which consume scarce fossil fuels. It taps an energy supply that's virtually limitless—heat energy from the sun contained in the air around us. And it is the most practical system to capture solar energy efficiently.

In northern Illinois the heat pump based on average performance for a heating season, can deliver more than 1-1/2 units of heat energy for every unit it consumes. This means the heat pump not only saves energy, it can also generate long-term operating cost savings.

If you want additional heat pump information, call your local Commonwealth Edison office and talk to one of our marketing engineers.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and serviced. For the name of qualified installers in your area, call G.W. Berkheimer Co. (Westinghouse Distributors) 312-374-4411, General Electric Co. 312-496-6200, Lennox Industries, Inc. 312-593-2820, Temperature Equipment Corp. ## ANNIE MAE

ROMAN AND JACKIE VOS are extremely grateful to the fire department and rescue squad for the way they handled a tragic situation on Saturday night, Feb. 11.

The Vos' home in Grass Lake was destroyed by fire. Jackie and her sister, Linda Matteoni, were terribly upset, of course, but rescue squad members calmed them and took them to the hospital.

The Antioch, Fox Lake and Lake Villa fire departments stayed at the scene from 9 p.m. until 12:30 a.m.

"Our friends and neighbors also have been awfully wonderful," said Jackie.

ONE OF MY ALL-TIME favorite movies was on television Monday night. Maybe you saw it... "The Dawn Patrol," a 1938 film about British flyers at the front in World War I. It starred Errol Flynn, David Niven and Basil Rathbone. I think that was my favorite movie until "The Sting" came along, with Paul Newman and Robert Redford. What's your all-time favorite?

**HAPPY BIRTHDAY TO YOU**... Happy Birthday to you.

I'm singing that for Ed Palka, who celebrated Tuesday. Also on Tuesday, Judy and Carol Furlan, sisters-in-law, had mutual birthdays. It was Vaughan Williams' 22nd birthday, too.

Today (Wednesday) is Kenn Rosenbrock's birthday. He was No. 23 who did all that neat running for Antioch High's football team last fall.

Tomorrow (the 23rd) is Sandy Stadick's birthday. What a super young lady, that Sandy!

MR. AND MRS. LESTER KRESANEK of Antioch are the grandparents of twins, born Jan. 18 to Mr. and Mrs. Pete Dierks of Glenview. The new arrivals, Kristin Louise and Kenneth Allen, have a big sister, Kimberly, who is almost 2 years old.

HOPE LOUISE GUTOWSKI is feeling much better ... hear tell she spent a couple of weeks in Victory Memorial hospital but is back home now.

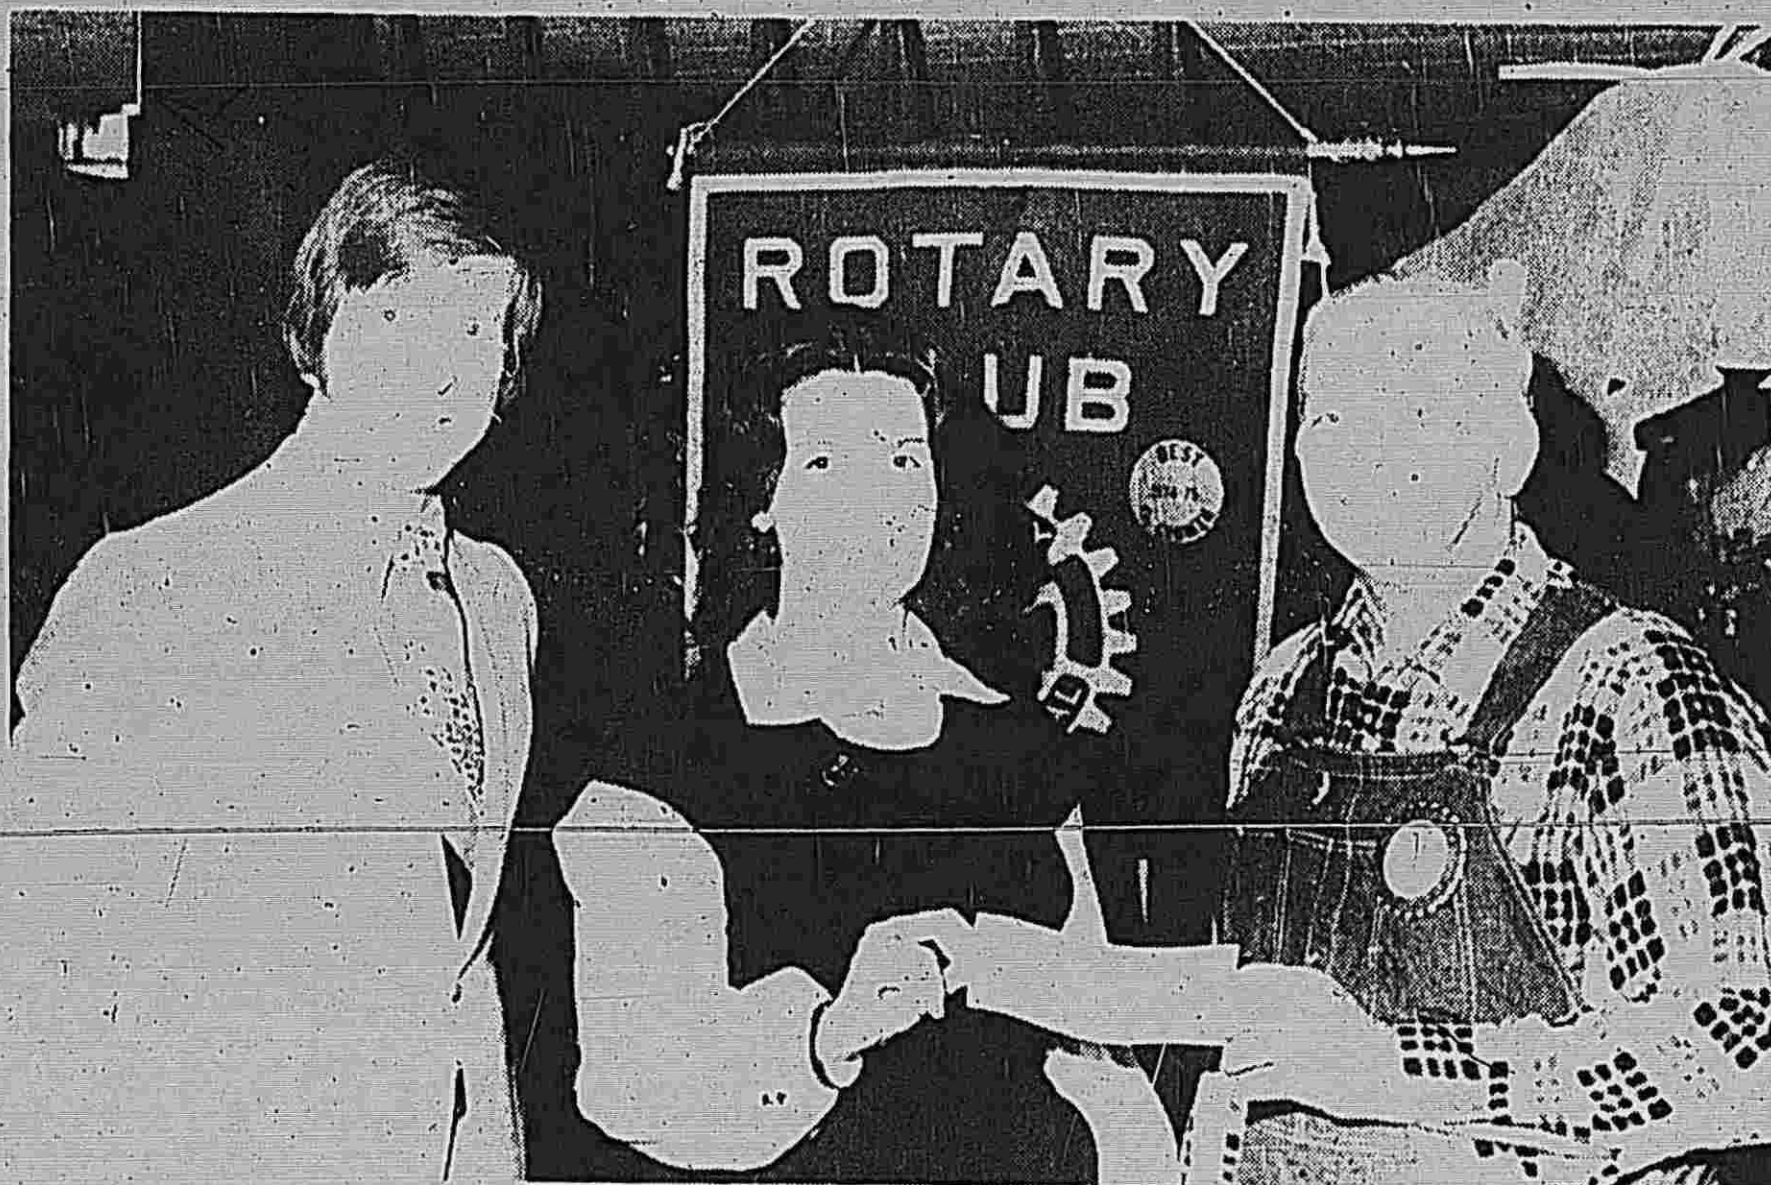

WE HAVE FOUR THINGS (at least four) going on in town and we want to recommend them to you.

First of all, the disco and rock 'n' roll music at Antioch Bowl's new discotheque. The "Penny and Price" trio is featured on Tuesday and Wednesday nights, and there also is dancing on Thursdays, Fridays and Saturdays. I think I'm going over the Monday, between 9:30 and 11:30 p.m., when free disco lessons are given by that super talented dancer Kim Klopp.

We also hear that "The Great Northern," featuring music from the mid 1950's, as well as rock, is providing lively entertainment at The Brauhaus on Friday and Saturday nights. The Brauhaus is open for lunch and dinner, and that Channel Lake spot has super fish fries on Fridays from 5 until 9.

You have your choice of two attractive events next Wednesday, Mar. 1. Famous gourmet Edward Robert Brooks will present a wine tasting session and gourmet dinner at Andre's Steak House in Richmond, starting at 7 p.m. Reservations are necessary, so call (815) 678-2671.

Also on Wednesday, Mar. 1, Ducks Unlimited will hold its fifth annual dinner at the Antioch Auction Barn ... cocktails at 6 and dinner at 7:30. Ticket chairman Tony Starcevic of the State Bank (395-2700) reminds us that last year's dinner was a sellout, so call him now for reservations.

A STUDENT AT the Allendale School for Boys in Lake Villa will receive dental work because of the generosity of Antioch's Rotary Club. Ann Adams (center), director of resources for Allendale, accepts a check for \$280 from Homer White (right) as

Dennis Johnson, another club officer, looks on. The boy had no other way to pay for the dental work he needed, so the Rotarians responded with some of the money they raised at their annual barbeque and auction.

## Goodman School moving to DePaul

The Goodman School of Drama, which has been a part of the Art Institute of Chicago since 1930, will move to DePaul University July 1.

The Art Institute announced in 1975 that it would be phasing out its theatre training program because of financial problems.

Joe Hunley, of Antioch, a member of the board of directors of the school of drama's alumni association, said investigations of mergers with established universities and colleges have been actively pursued for the past two years.

THE GOODMAN SCHOOL will become a part of a

performing arts training complex in new quarters which will afford considerably more classroom space and continued production capacity.

Programs in acting, directing, scene design, costume design and technical production will continue. The faculty remains intact.

The school will be called the DePaul Goodman School of Drama. It will be closely associated with the DePaul School of Music at the university's Lincoln Park campus. The campus buildings were bought last year from the McCormick Theological Seminary.

The service which Goodman graduates have provided nationally and internationally to the theatre through the years is well-known. The school will continue to offer a three-year professional curriculum and a four-year bachelor of fine arts program.

## Antioch girls closing cage season

On Tuesday, Feb. 14, the Antioch Girls varsity basketball team dropped its fifth straight decision to McHenry.

The game was close throughout with Antioch being down by two with a minute to go. McHenry then ran off six straight points and Antioch answered with only a lay-up at the buzzer.

The difference in the game was McHenry's strong rebounding, often limiting Antioch to one shot at the basket.

ON SATURDAY the Antioch girls lost to Jacobs 53-40. Midway in the second quarter Antioch led by as much as nine but did not score for three minutes as Jacobs inched to within three at halftime. Jamie Vasek turned in an outstanding defensive effort and chipped in 6 points in the first half.

The second half was all Jacobs as a full court press faced Antioch into numerous turnovers. Jacobs outscored Antioch 19-6 in the

third quarter and 19-16 in the fourth quarter.

SCORING HONORS for Antioch were split between Michelle Wolf and Cathy Aschbacher with 12. The top rebounder was Cathy Aschbacher with 17.

This Friday and Saturday Antioch travels to Libertyville for a tournament against some of the top girls teams in the area. The final home game of the season will be against Warren at 4:30 p.m. on Tuesday, Feb. 28.

PRETTY GIRLS AND POM-PONS help make a basketball tournament successful, and the cheerleaders from Grass Lake did just that in last week's competition at Emmons School.

ACTION UNDER THE HOOP was hot and heavy in the finals of the grade school basketball tournament at Emmons' gym last week. At left is Steve Sheedlo of the championship Emmons team, playing against Grass Lake's Braves.

## SPORTS BRIEFS

FORMER Antioch High School stars are playing key roles in the College of Lake County's basketball success this winter.

In a 56-54 win over McHenry last week, Scott Kimball led the way with 19 points and Mitch Witt contributed -8. Kimball previously hit 18 against Joliet and Witt also has

scored in double figures.

In a 60-59 conference win over Truman, Witt "was the hero," according to

CLC's coach, Bruce Smith. He hit on two shots from about 20-feet out in the closing seconds.

## Upper Grade wrestlers are 2nd in tournament

The Antioch Apache wrestling team has been plagued all year by not having enough boys to fill its 17 weight classes.

"Despite the handicap, the Apaches have managed to compete at a very high level in tournaments and dual meets," Coach Ken Anderson said.

The Apaches won their last two dual meets against Zion and a very strong Barrington team, by scores of 50-17 and 35-15, respectively.

THE APACHES HAVE several outstanding wrestlers, Coach Anderson said. He mentioned Frank Heiselman 75 lbs., Tad DeRousse 80, Greg Pahlke 95, John Oelkers 100, John Wohlfeil 105, George Bessette 118, and Bill Carney 135.

"In addition the team has been fortunate to have some young and beginning wrestlers who have contributed greatly to the Apache's success. These boys are Jim Wais 70, Steve Case 85, Brad Larson 90, Andy Lehn 112 and Tibor Jung 125," the coach said.

The Upper Grade School team wrestled in the Cooper tourney at Buffalo Grove last Saturday, placing second in an 8-team field and narrowly missing first, being nudged by a well-balanced, full Barrington squad.

Considering that the Apaches were five boys short of a full team, Coach Ken Anderson felt the wrestlers did an outstanding job.

PLACING FIRST at the Cooper tournament were DeRousse, Pahlke, Bessette and Wohlfeil.

Placing second were Oelkers, Heiselman and Carney. The Apaches wrestle Carl Sandberg school away on Feb. 22 (today) and then will prepare for the district tourney to be held at the Upper Grade School on Mar. 4.

## Emmons' teams win tournament titles

The Emmons Raiders hosted the Des Plaines-Fox Valley conference tournament for the 7th and 8th grades.

On the 7th grade level Emmons played Spring Grove for the championship and Emmons came away with a 31-15 win. The bigger Emmons team jumped to 14-0 lead in the first quarter and was never threatened.

Tim Hartokolis led the Raider scoring attack with 13 points. Luke Kuligowski, who directed the offense, contributed six points. Hartokolis and Frank Mahar dominated the backboards and gave the Raiders a strong edge in rebounds.

Emmons advanced to the 7th grade finals by stomping Grass Lake 56-10. Three players were in double figures as Craig Sheedlo and Hartokolis hit for 11 each and Kuligowski chipped in 10.

THE 8th GRADE championship featured another Emmons team against a taller Grass Lake team. The hustling Raiders came away with an 11-point victory, 51-40.

The game was decided in the first half when Emmons jumped to a 17 point lead.

"We really wanted to show that our first two wins over Grass Lake were no fluke. We came out with good intensity and just blew them away," said a happy coach, Mike Mitchell, after the victory.

Emmons' assault was led by Steve Sheedlo who scored 14 of his 19 points in the first half. Bob Thain got eight of his nine in the first half.

Al Coons grabbed four defensive rebounds in the first half to allow Emmons to stay even on the boards. Grass Lake came out hot in the third quarter and narrowed the gap to eight points. Ed Jorgenson scored 10 of his game-high 22 points in the third quarter. Jorgenson was also a dominant figure on the boards, getting 11 rebounds.

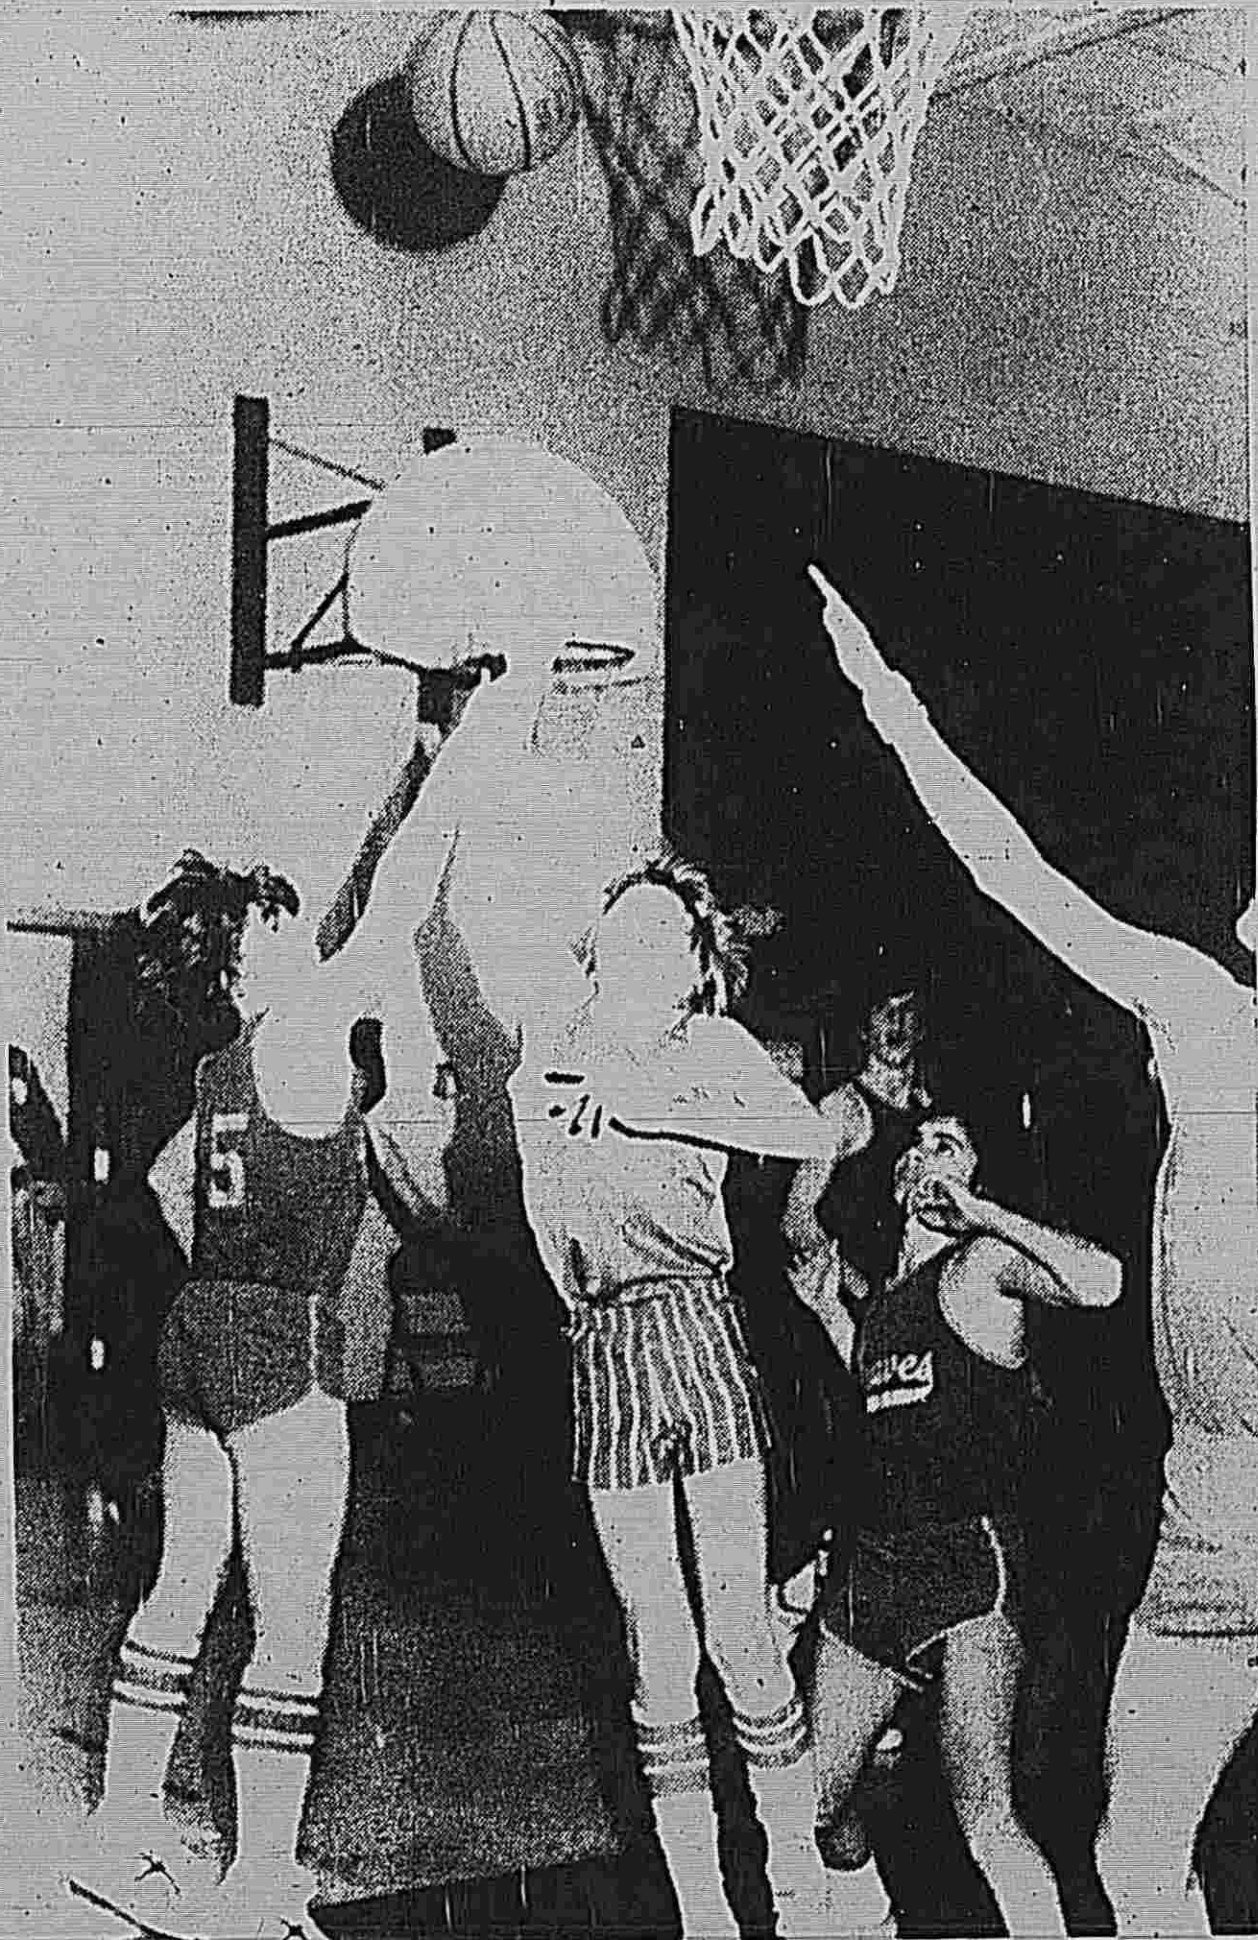

RICK RANNEY HIT two jumpers midway through the final quarter to bring his point total to 12. Those four points, sandwiched between two free throws by Scott Poulter and a basket by Sheedlo, iced the victory for Emmons.

"It was our balance that beat them. We had more balance in our scoring and we played a better positional game. I'm very proud of these boys," Coach Mitchell said.

# Antioch avoids upset at Grant

## Dubek's 43 points turn back Grant

Now that they are North Division champions of the Northwest Suburban Conference, Antioch High's basketball players can shoot for another goal this Friday ... an undefeated conference season.

Stevenson's Patriots will be here at 8 o'clock to challenge Antioch's 15-0 record in the league.

On Jan. 7 the Sequoits went over to Stevenson and scored a 60-53 win ... so Friday's rematch here could be interesting.

LAST SATURDAY'S WIN at Grant was interesting, to say the least. It looked very much as if the Sequoits would be upset, but they pulled out a 73-70 victory.

What a weekend Antioch's top scorer, Bill Dubek, had. He scored 32 points in Friday's 82-70 win over Grayslake here, then at Grant made 20 of his 34 field goal attempts to tie the school record of 43 points in one game.

Bob Kubicki scored 43 points in a 1963 game, an 82-79 win over Wauconda. Kubicki, a high scorer throughout that season, had 12 field goals and made 19 of 22 free throw attempts.

Dubek's 20 field goals against Grant broke the Antioch record of 18 set by Keith Bolton in a 1970 game.

COACH ROGER ANDREWS said Dubek's "unbelievable shooting averted the upset. It was a super, terrific performance by an excellent player."

It was a fast-moving, offensive game. Neither defense could contain its rival. Grant made 60 percent of its field goal attempts and Antioch hit on 51 percent.

Tracy Sodman, one of Antioch's most dependable starters, missed the game because of the flu but Tom Huebner filled in and, according to his coach, "did an excellent job, contributing eight points and good defensive work."

ANTIOCH EMERGED FROM the first half with 35-33 lead but the home team outscored the Sequoits 15-2 at one point in the third quarter, putting Antioch behind 52-42. Grant hit on eight of its 10 shots in that four-minute spurt.

The Sequoits fought back in the last quarter, closing the gap to one point on a few occasions. Then, with two minutes to play, Grant got ahead by 70-65 and Antioch fans were afraid their team's 14-game conference winning streak was about to die.

But key steals and hustle gave the Sequoits the next eight points. Dubek hit on two jump shots to narrow the gap to 70-69. Grant missed a shot, John Eder seized the rebound and scored on a layup to put Antioch ahead 71-70

with 24 seconds remaining.

Grant came down the floor but Dave Gutowski caused a jump ball with five seconds left. Dubek got the ball off the jump and went in for the final score.

"IT WAS A GREAT game to win," said Coach Andrews. "I was really proud of the way the team never quit."

With Sodman home ill and the coach's son, Brian, in foul trouble, Antioch's bench -- especially Tom Huebner, Gutowski and Roger Korjenek -- came through.

The Sequoits wrapped up their undisputed conference title in the 82-70 win over Grayslake last Friday.

Antioch led 34-20 at the half and was never in trouble. Dubek took 30 shots and made 14. Brian Andrews hit on 6

of 10 to finish with 14 points while Tim Huebner made 5 of 8 shots and had 13 points.

Andrews had 16 rebounds and 10 assists. Huebner also collected 16 rebounds.

Dubek's 32 points against Grayslake gave him 75 in two games last weekend, boosting his average for the season well over 20 points a game. He had 24 in the second half against Grayslake.

NEXT WEDNESDAY, Mar. 1, the regional tournament opens here with Antioch facing Grant again at 7 p.m. Grayslake and Round Lake will play at 8:30.

On Friday, Mar. 3, the Mar. 1 winners will play for the regional title at 7:30 p.m. in Antioch's gym.

## Freshmen are 13-2 in league

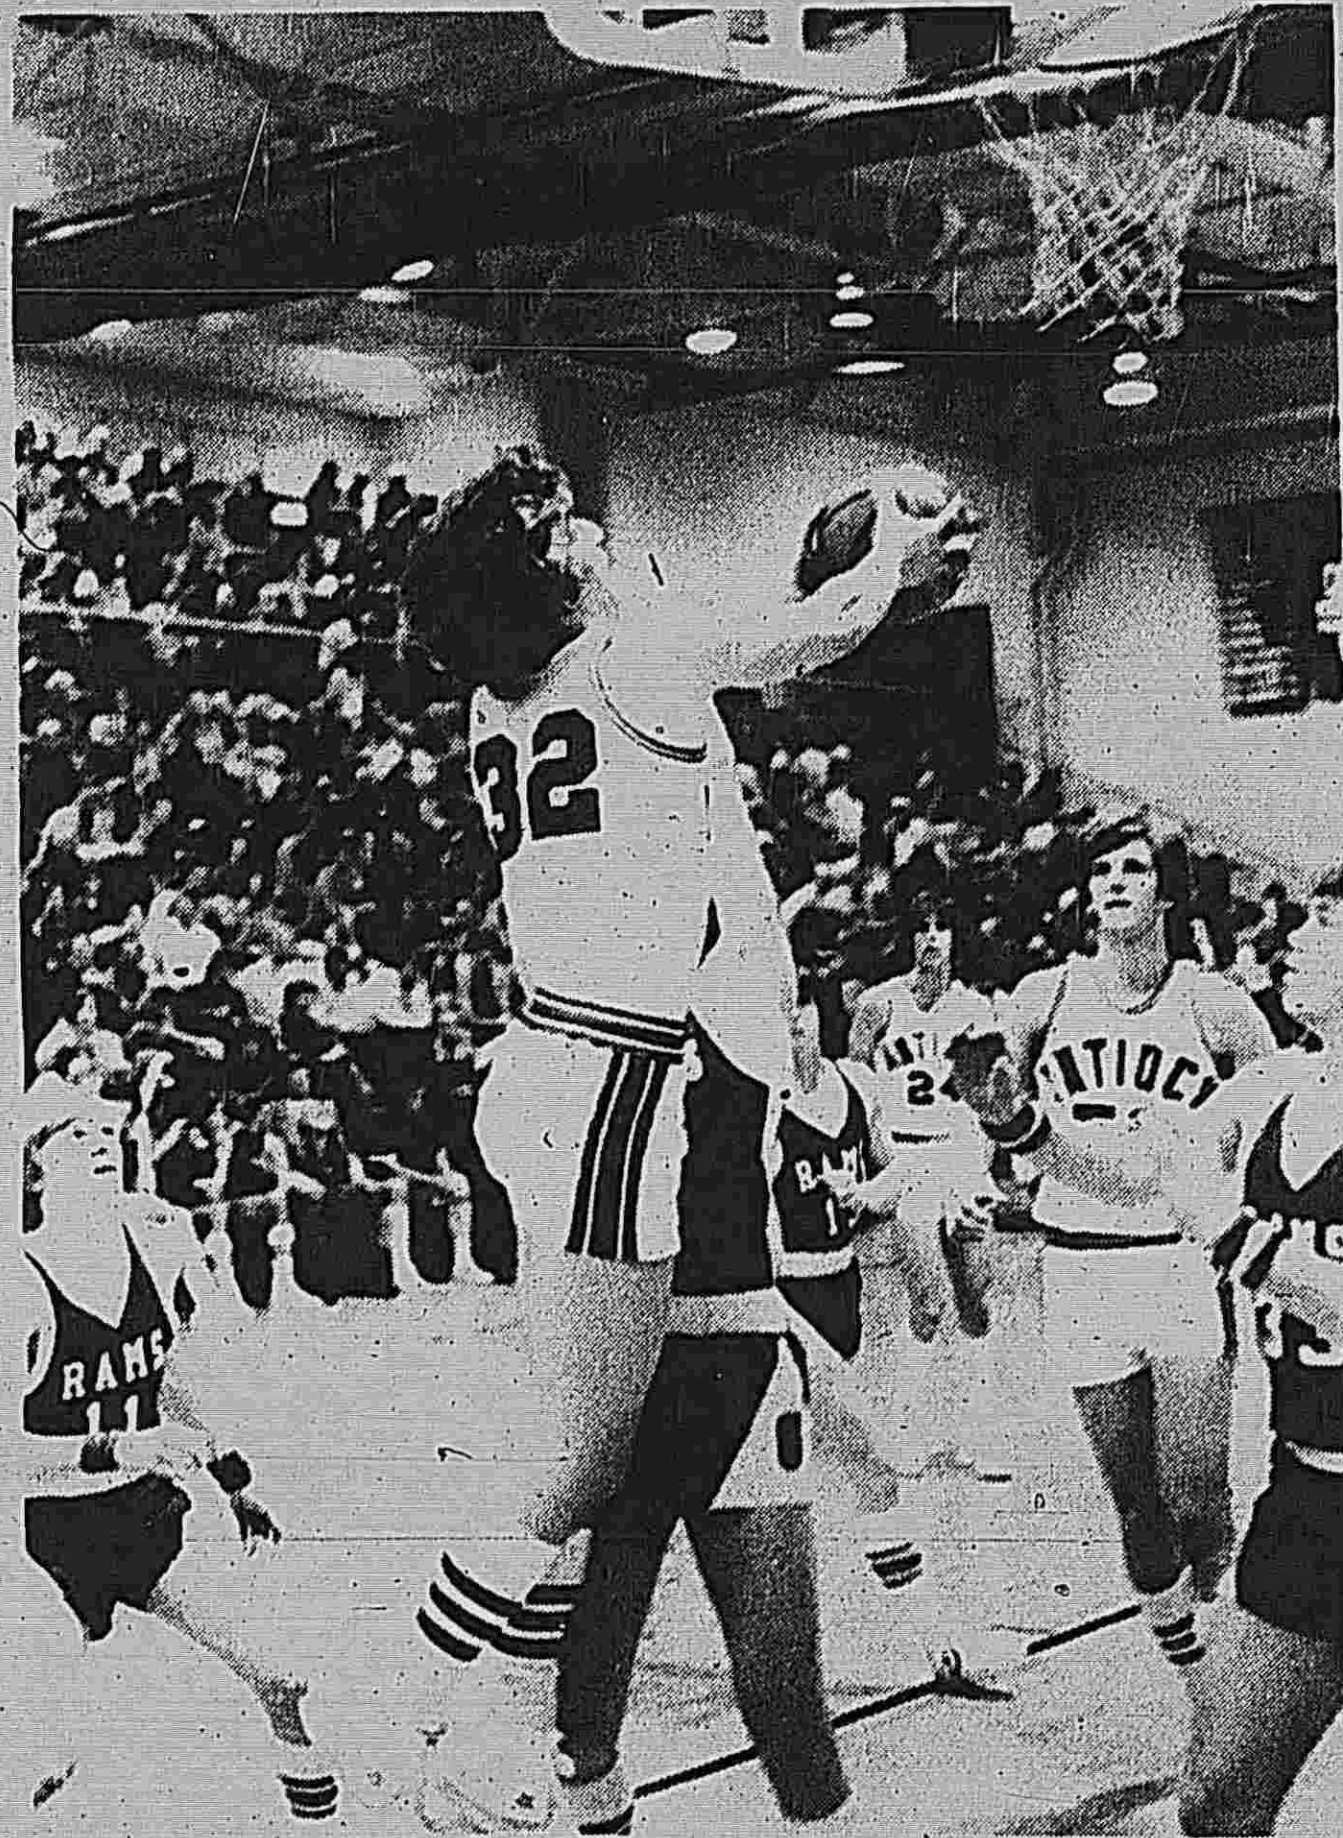

Antioch's freshman basketball "A" team split in its two conference games last weekend.

On Saturday the host Sequoits downed Grayslake 61-33 and on Monday Grant's Bulldogs won a tight defensive contest 30-29.

The loss to Grant brought the "A" team record to 13-2 in conference play. Antioch is tied with Warren going into the season's last game. Overall, Antioch is now 14-5.

Against Grayslake Dee Maras led in scoring with 21 points and grabbed a season high 18 rebounds although he played less than three quarters. Pete Weber backed up Maras with 15 points and Tim Koesser added 10. Antioch dominated the boards by a 38-19 margin and shot a

# Gibson brothers in state meet

## Jon, Marvin win sectional titles

Two individual champions and second place in a field of 30 teams ... that was the accomplishment of Antioch High's wrestlers in last weekend's sectional tournament at Barrington.

Jon Gibson, at 98 pounds, and his brother, Marvin, at 119, won titles for Antioch and qualified for Friday and Saturday's state Class AA championships at the University of Illinois in Champaign.

They will begin wrestling the "best in the state" on Friday. The finals are Saturday night. Only 21 wrestlers from all of Lake County qualified for the meet.

THE WELL-BALANCED sectional tournament was won by Wheeling with 47 points. Antioch, the Northwest Suburban Conference champion, was second with 36 and two teams tied for third at 33 points: Rockford-Boylan and Glenbrook North.

Wheeling had two champions and a third-place finisher. Antioch's Jon Gibson ran his season record to 44-1 by pinning Sam Perry of North Chicago, winning 4-0 against Todd Wilson of Wheeling and then scoring a 9-5 victory over Mike Steiner of Barrington in the championship match.

AT 119 POUNDS, MARVIN Gibson beat Tom Lembeck of Highland Park 3-2 in a tough first-round match. Then he faced John McGrath of Mundelein, whom Marvin beat in the sectionals at 112 last year. (Marvin went on to place

fourth in the state and McGrath sixth. Earlier this year McGrath beat Marvin 10-5 in a dual meet.)

So the stage was set. Marvin fell behind 4-0 in the first two periods and still trailed 4-1 with only 20 seconds remaining. But Marvin escaped from McGrath's hold for another point and then took his rival down to gain a 4-4 tie, sending the match into overtime.

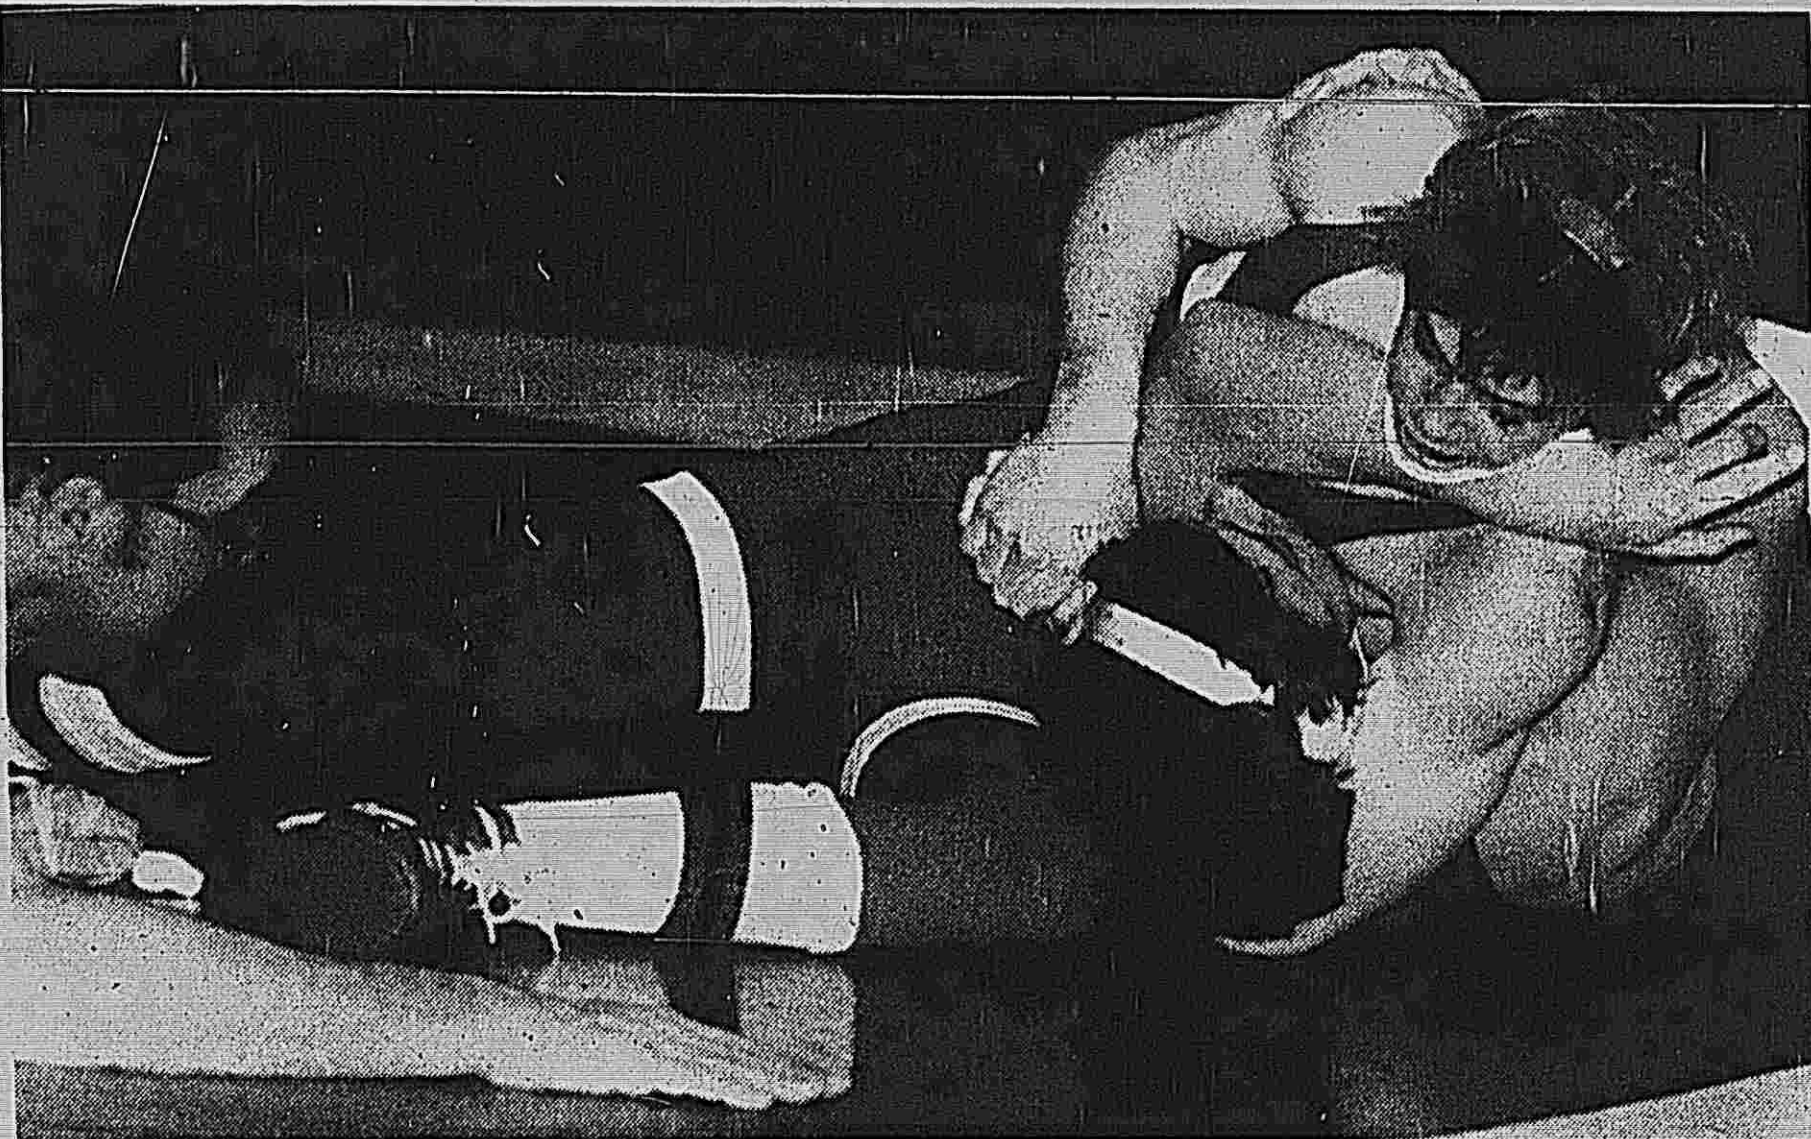

In the extra period it was all Gibson as he took McGrath down and turned him on his back for a near fall. Another near fall and a reversal made the final score 10-7.

In the championship match at Barrington, Marvin met Tom Scott of Grant. The Antioch star took a 4-0 lead, then

used a perfect headlock to throw Scott on his back and pin him in 2 minutes and 40 seconds.

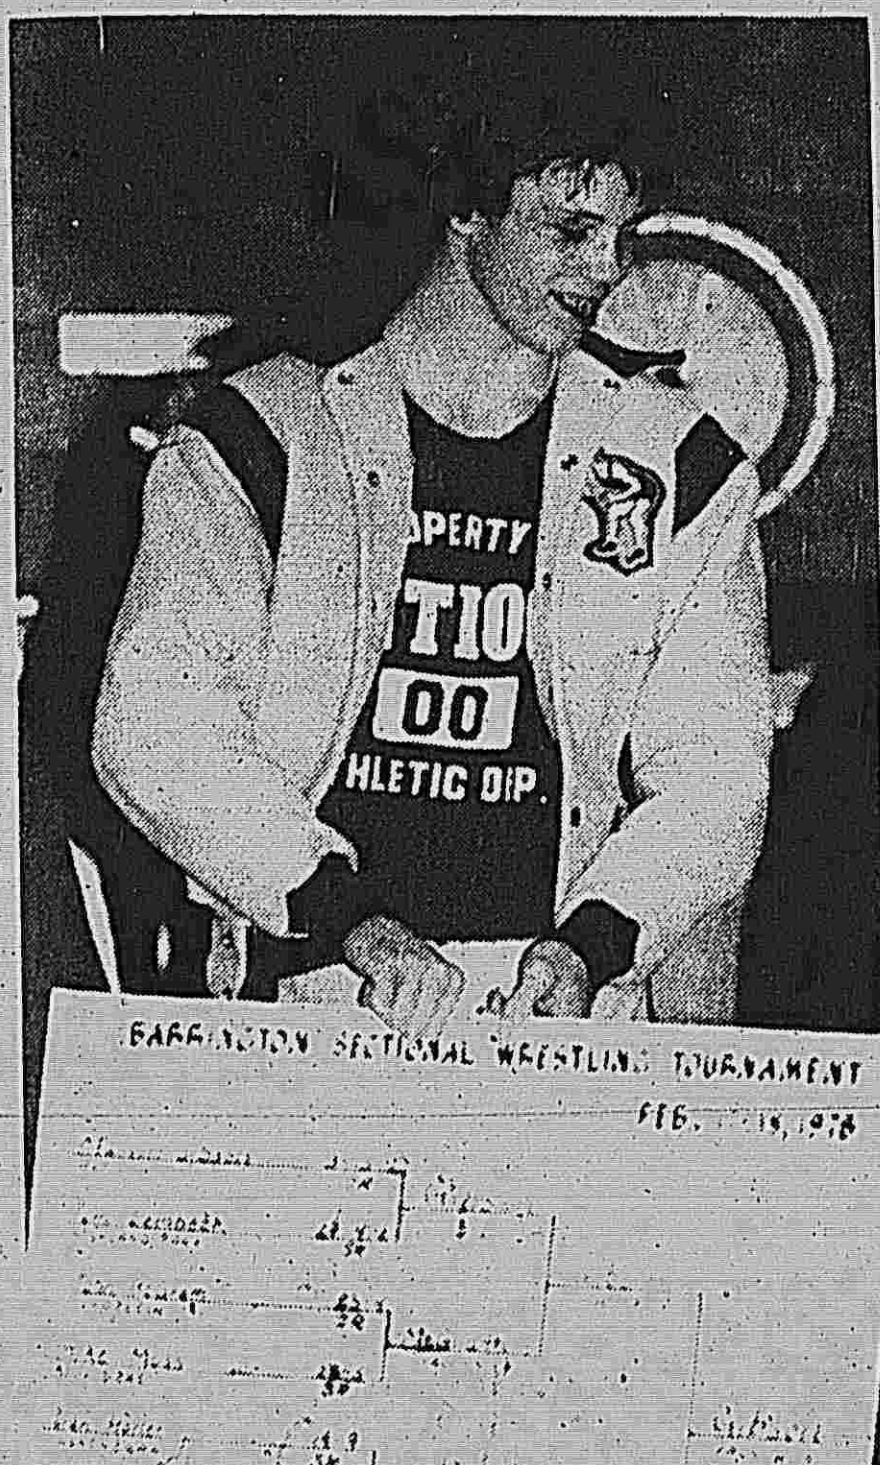

AS SECTIONAL CHAMPIONS the Gibsons will receive byes in the first round of the state tournament Friday. Jon then will wrestle the winner of a match between Mark Verr of Riverside-Brookfield and Bob Funk of Minooka. Jon's only loss this year was to Verr in the Glenbrook South tournament.

Marvin will face the winner of a match between Bill Schnauts (33-1) of Murphysboro and Coronado Luda (27-5) of Aurora West.

SCORING A PIN, en route to his sectional title, Antioch's Marvin Gibson boosts his season record to 37 wins against only 5

losses. His brother, Jon, who also is headed for the state tournament, has a 44-1 record. (Photos by Paul Maplethorpe.)

ANTIOCH'S MARVIN GIBSON holds the chart that shows how he wrestled his way to a sectional championship at Barrington last weekend. Marvin will compete at 119 pounds this Friday and Saturday in the state Class AA tournament at the University of Illinois in Champaign.

## JV wrestlers win 20 meets

Antioch High's junior varsity wrestlers have finished their best season ever under Coach Rich Brown.

The future Sequoit varsity scored 20 victories this winter, finishing up by beating Cary-Grove and Wauconda.

"All year long our wrestlers dominated their meets," Brown said, "suffering only one loss - to Grant."

Against Cary-Grove they won 47-6 and in their finale, against Wauconda, the Antioch team triumphed 53-13.

"This squad has more potential than any in Antioch's history," Brown said. "They should make next year's varsity a much stronger contender."

The coach said outstanding junior varsity wrestling was turned in by Glenn McCollum at 98 pounds, Rob Crowell at 105, Bob Finn at 119, Scott Peterson at 126, Randy Larsen and Glenn Kaht at 132, Chuck Bogaerts at 138, Brian Beal at 145, Ted Bessette at 155, Greg Bodin at 167, Mike O'Hara at 185 and Mitch Lasco in heavyweight class.

## Freshmen

Continued from page 14

very good 50 percent from the field.

AT GRANT a half-court trap by the Bulldogs caused 26 turnovers and the Sequoits could manage only 28 shots. Maras fouled out early in the second half to further complicate the situation. Antioch dominated the boards again by a 31-14 edge but could not convert the offensive rebounds into baskets. However, it took a 15-foot jumper with only seven seconds left to secure the win for Grant.

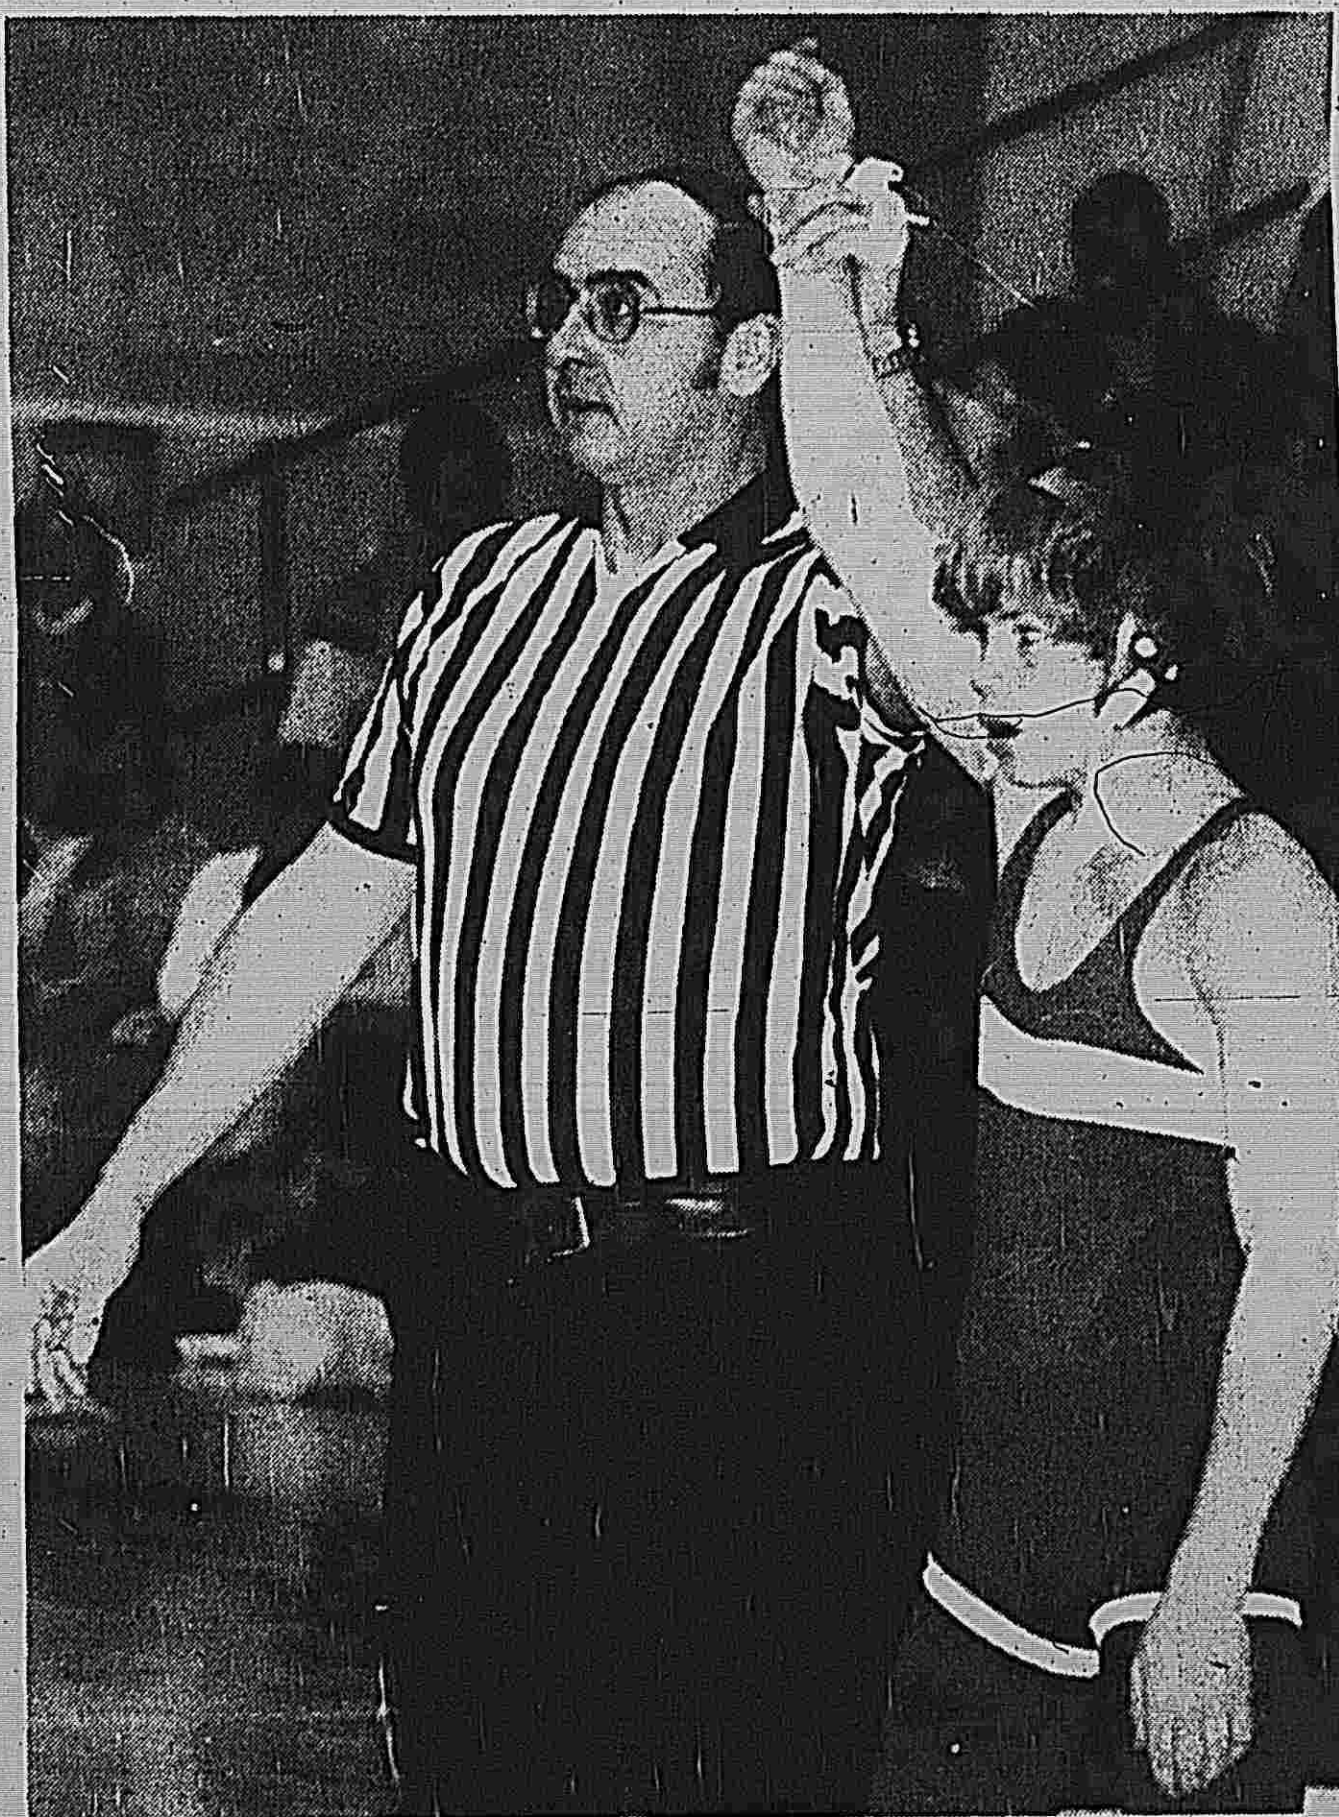

No Antioch players scored in double figures. John Eckert led in rebounds with 11. Coach Norm Hahn praised the play of Dan Johnson and Dan Rezin who came in as subs and almost pulled out the win.

Antioch's "B" team won two more games to raise its conference record to 13-1 and overall record to 13-3.

GRAYSLAKE WAS an easy 56-23 victim as Dale Anderson scored 10 points, Mark Williams 9 and Dan Johnson 12.

Grant was defeated 33-29 in a close contest, with Antioch hitting only four of 23 free throws. Kevin Hassett scored 12 points and Dean Haviland chipped in 9.

On Saturday the Sequoits will host Stevenson at 9 a.m. Antioch must win to wrap up first place. Stevenson is in second.

HIS HAND RAISED in victory, Jon Gibson became a sectional wrestling champion last week. Jon will represent Antioch at 98 pounds in this weekend's state tournament.

## tiffany REALTY WORLD Presents A Home Protection Plan

As Experts in selling homes, we at Realty World know the importance of making your home stand out from every other house "For Sale". Our Realty World yard sign out front makes your home more desirable for many reasons. One of the best is our Realty World Home Protection Plan.

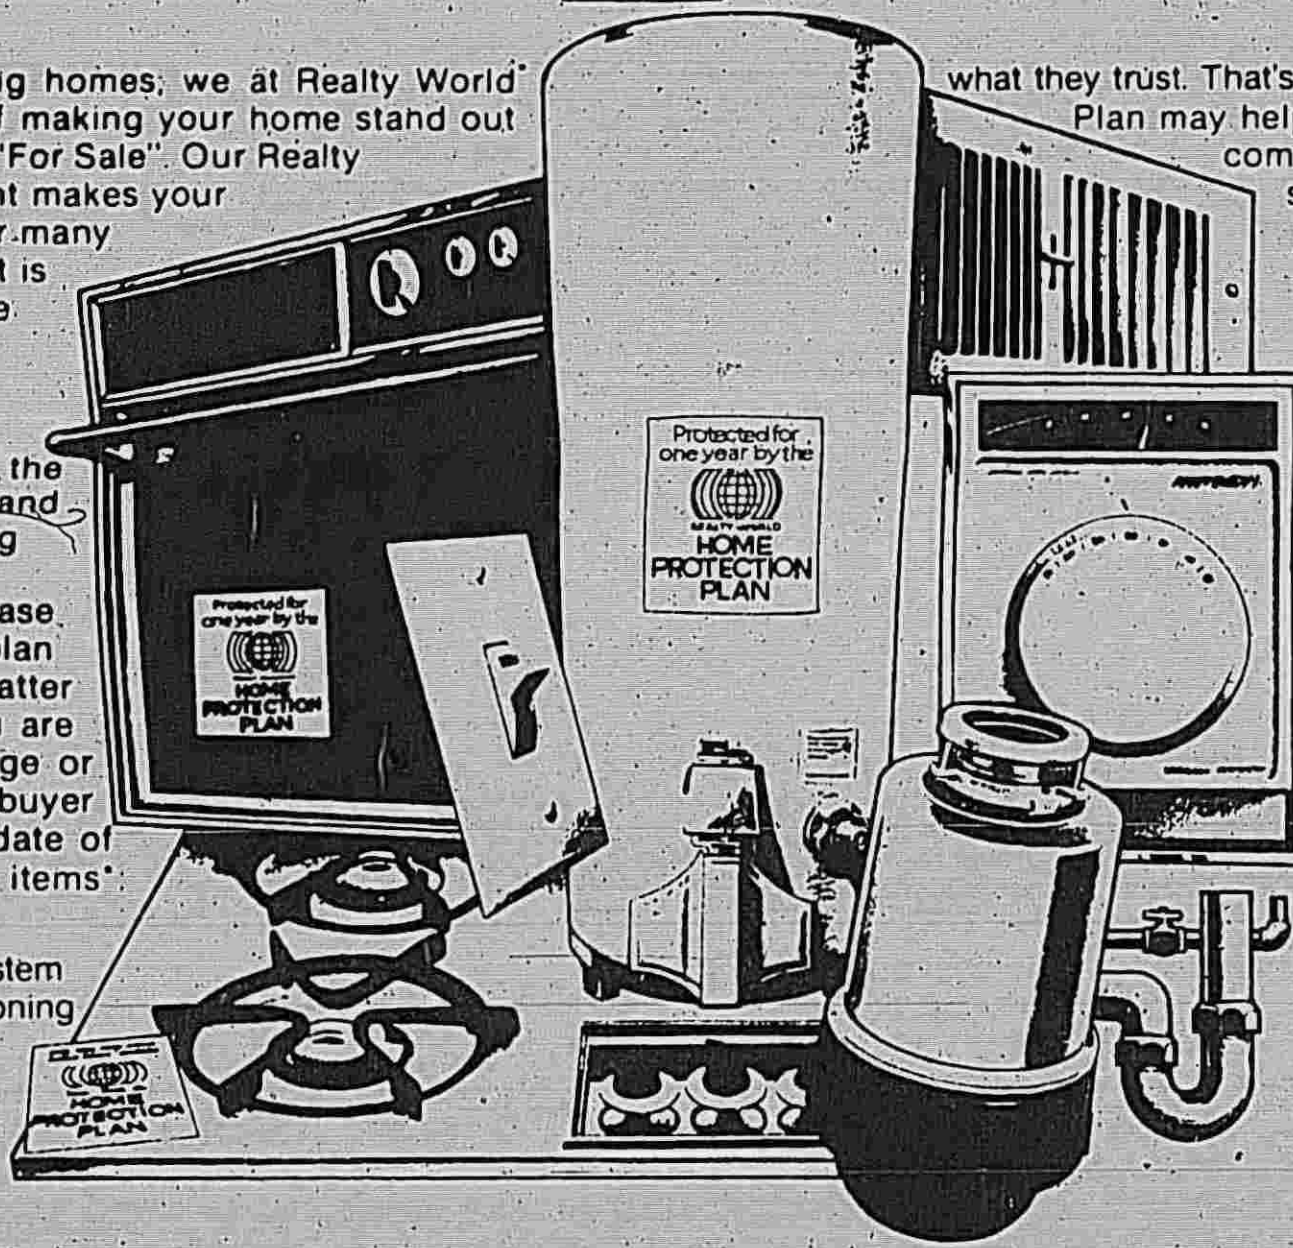

#### How It Works

The plan protects the buyer from unexpected and sometimes devastating repair costs that may come up after the purchase of a resale home. The plan protects the buyer no matter what kind of house you are selling. No matter its age or location. It covers the buyer for one full year from date of closing on the following items:

- The Electrical System
- The Central Heating System
- The Central Air-Conditioning System
- Plumbing and Drainage lines for Leaks and Breaks
- even stoppages
- The Hot Water Heater
- Ductwork
- Certain Built-in and Free-standing Appliances

#### A Competitive Edge

A buyer wants peace of mind about the home he buys. Put yourself in his place. Would you rather own a home with possible hidden repair costs, or one that was protected for one full year? Buyers buy

what they trust. That's why the Realty World Home Protection Plan may help speed the sale. The decision to buy comes easier and faster if the buyer feels secure. It may make for less negotiating and fewer counter offers.

If the sale is faster, you save money. You pay less interest on your payments. You get your money sooner to invest elsewhere.

And when closing is completed, the Realty World Home Protection Plan helps guard you against possible litigation on the covered systems and appliances.

#### The World of Difference is Inexpensive

It is a relatively minor cost of selling your home. And you do not pay for it until closing. In fact...

#### There is a Bonus

Fifteen days after you authorize us to sell your home (and include the Realty World Home Protection Plan), right up to the date of closing, we'll cover:

- The Entire Electrical System
- Plumbing and Drainage Lines for Leaks and Breaks
- even stoppages

The Hot Water Heater for you the seller. What's more, if your home is taken off the market

for any reason, the plan is cancelled and there is no cost to you. Let the Realty World Home Protection Plan help make your home even more desirable... and find out why we've got an international reputation for being different.

## PERSPECTIVES

### Balance Sheet

By DONALD COLE  
Moody Bible Institute, Chicago

The apostle Paul kept an accurate  
balance sheet, and on the losses side he  
wrote down every advantage he had ever  
known in his unconverted days. Philip-  
pians 3:7 records and entry: "whatever  
things were gain to me, those things I  
have counted as loss..." Though he had  
enjoyed a variety of advantages, he  
made a single entry, written in red ink.  
On a scratch pad he may have listed  
every gain he had ever known, but only  
one entry was needed in the ledger. The  
word? Rubbish. Rubbish? Not much loss  
that!

Then he turned to the Profit side of his  
ledger, and there he made sundry  
entries. Against that single red-ink entry  
he entered the word "Christ." That one  
entry more than balanced the sheet; it  
tipped it into the black. Possessing Christ  
as Savior was more than the world,  
itself. Jesus Himself once asked the  
question, "For what good is it for a man  
to gain the whole world at the price of his  
own soul?" (Matt 16:26). Good question,  
eh? Well, Paul knew that having Christ  
he had infinitely more than was  
represented by that single entry in the  
Losses column of his life's balance sheet.

His next entry was "the knowledge of  
Christ Jesus my Lord." He didn't mean  
Christ's own knowledge; he meant his  
"knowing Christ." What that implied  
was plainly state by Paul's colleague,  
Peter, who said that the "true knowledge"  
of Christ, i.e. knowing Him, brings

"everything pertaining to life and  
godliness" (II Peter 1:3). Paul himself  
spoke of knowing Christ as the key to  
the Church's maturity, and what is true  
of the Church is also true of its individual  
members (cf. Ephesians 4:13).

The idea of maturing through the  
knowledge of Christ led Paul to make still  
another entry on the Profit side of his  
balance sheet. "That I may gain Christ"  
-- that's what he wrote. He didn't mean  
that first encounter with Christ, or any  
other encounter. He probably meant the  
acquiring of Christ-like qualities. Paul  
wanted to be like Christ, and he reasoned  
quite logically (actually, the Holy Spirit  
of God was teaching him) that knowing  
Christ would tend to mould his character.  
It might take a lifetime to achieve it, but  
Paul was gradually becoming like Christ.

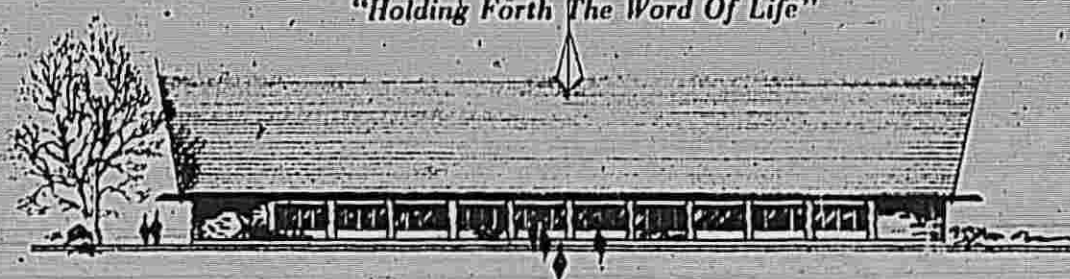

What Paul foresaw for himself was  
complete conformity to the character of  
Jesus Christ. How complete? Completely  
complete! Even Paul's body would  
someday be changed! I know Christ  
Jesus my Lord, Paul said. I am gaining  
Him, becoming like Him, and someday  
He will come and transform "these  
wretched bodies of ours so that they  
resemble His own glorious body, by that  
power of His which makes Him the  
master of everything that is" (Phil.  
3:21).

The balance sheet was not really  
balanced; there was virtually nothing on  
the loss side - a single entry listed as  
"rubbish." Against that? A whole  
universe and an eternity of bliss through  
knowing Jesus Christ as Lord.

## Local GOP endorses 3 for County Board

Candidates for the Lake County Board from District 4 were endorsed by the Antioch Republican Club last Wednesday.

There are eight persons running in the Mar. 21 primary and the three endorsed by the local Republicans are R.G. (Bud) Holtz, Joseph O. Tobolik and Janet M. Kapischke.

The other Republican candidates are John L. Steltz Jr., Mitchell Stanton, W. Brad Muse, Virginia K. Harrington and Judith Marie Dechow.

The three Democrat candidates, Tony Marsala, Frank ReCupido and Joseph Bogacz are unopposed in the primary.

District 4 contains six townships: Antioch, Lake Villa, Grant, Avon, Wauconda and Fremont.

ALSO ENDORSED by the Republican Club was Dave Selig for Lake County treasurer.

An executive board meeting of the Republican Men's club and the women's auxiliary resulted in a vote to merge the groups into one organization.

Gene Zannini, a club spokesman, said the Republicans' annual fund raising dinner and installation of officers will be held June 21.

The club will meet again Mar. 15 at the new Antioch Township Hall. Persons interested in joining the group are invited to attend.
